

Tokyo Takanawa Hospital OUTBOUND SUPPORT SERVICE

Assisting Companies of the New Era

PROVIDE ASSISTANCE TO COMPANIES AT THIS UNPRECEDENTED TIME

With the spread of COVID-19, we enter a new era which common sense & practices in the past no longer work. In order to control risks, flexible mind with exceptional ideas which flip these common sense & practices all over will be necessary.

Utilizing our expertise and experience handling COVID-19, we go beyond our role as just a medical institution, aiming to provide support to various businesses as well as to our community.

PREPARE FOR NEW RISKS
