

To All Patients Visiting Our Hospital

当院を受診される患者さんへ

Since April 1, 2026

our hospital has been listed as a

“Referral-Focused Medical Institution”

Effective October 1, 2026 , patients who visit our hospital without a referral letter will be required to pay the following “Non-Referral Visit Fee” in addition to the regular medical consultation fees.

First consultation: JPY 7,700
(※Oral and Maxillofacial Surgery: JPY 5,500)

If doctor recommends referral to another medical institution,
but the patient wishes to continue receiving treatment
at our hospital

Follow-up visit (each visit): JPY 3,300
(Oral and Maxillofacial Surgery: JPY 2,090)

Referral-Focused Medical Institution

A government designated medical institution under the national system which encourages patients to visit with a referral letter. We provide specialized outpatient care, including surgery, procedures, chemotherapy, and examinations requiring advanced equipment such as MRI. Patients may visit with or without a referral letter. However, those without one will be charged a “Non-Referral Visit Fee” in addition to regular medical fees.
